MINUTES OF A SPECIAL MEETING
OF THE BOARD OF DIRECTORS OF
READING BROADCASTING, INC.

Pursuant to a written Waiver of Notice, a special meeting of the Board of Directors of Reading Broadcasting, Inc. was held on May 23, 1990 at 7:10 p.m. at the corporate offices located at 1729 North 11th Street, Reading, Berks County, Pennsylvania.

Present were:

Michael Parker

Robert Clymer, M.D.

Edward Fischer, M.D.

Henry N. Aurandt, M.D.

Jack A. Linton, Esquire

being all of the Directors of the Corporation.

The Directors signed a written Waiver of Notice of the holding of the meeting.

Upon motion duly made, seconded and unanimously carried, it was

RESOLVED, that the executed waiver be filed with the records of the Corporation and made a part of the minutes of this meeting.

The Chairman announced that the meeting was duly convened and that the meeting was ready to transact such business as may lawfully come before it.

Upon motion duly made, seconded and unanimously carried, it was

RESOLVED, that the reading of the minutes of the previous meeting be deferred.

1. Mike Parker reported on his meeting with Rev. Scott of Wescott Christian Center. Rev. Scott had asked for several

(1)

changes, i.e. changing the hours from 12:00 p.m. to 6:00 a.m. to 11:00 p.m. to 6:00 a.m. He also requested that the Agreement be subject to cancellation on thirty days notice after it has been in effect for ninety days. The contract would be a one year contract with an option to renew for five years. During the first ninety days Reading Broadcasting, Inc. would get a monthly income of approximately \$13,000.00 per month; thereafter \$11,000.00 per month. This will allow us to pay interest only to the bank. Mike also wants to spend \$2,000.00 per month to go on a translator to cover the Harrisburg area. Apparently, the Board felt this was appropriate.

2. Mr. Parker then reported that he had received the Legg Mason engagement letter in signed form for our review. There were a number of changes that may be necessitated in the engagement letter and it was decided that Mr. Parker and Mr. Linton would negotiate the changes with Legg Mason. The financing to be sought is approximately \$4,000,000.00 and it is contemplated that the bank will be bought out. Also Mike suggested leaving the alternatives open in the reorganization either to buy out the bank's interest or to carry forward with the repayment to the bank over a period of time. Beard & Company, through Nelson Long, will assist us in analyzing which of the proposals would be most economically beneficial to the company.

3. The next item discussed was the Tower site at Long Hill and the agreement with Brenda Groff. We are concerned that all conditions may have been met and we are not yet ready to settle. Dr. Clymer reminded the Board that he had requested Meridian to

fund the purchase. We have not yet heard from the bank with respect to the request for \$100,000.00. After a considerable amount of discussion it was decided to offer Mrs. Groff a certain amount of dollars and condition settlement on obtaining the financing if she would be willing to accept this proposal. It was emphasized that it is essential to keep the agreement with Mrs. Groff in place and not allow the agreement to be avoided.

4. The next item was a discussion regarding accounting and this was as a result of a meeting between Michael Parker and Robert H. Clymer, M.D. who had met with Nelson Long, CPA. Certain items were written off on the corporation's financial statements, interest will continue to be accrued and it will be a much larger accrual than had been previously anticipated since the prior accountant had not been accruing interest from the corporation's adjudication as a bankrupt. In addition, more interest is required to be accrued on shareholder debt. Dr. Clymer said monthly statements reviewed by Nelson Long will be accurate. He also said the receivables will be aged. We will have to find out if we are on the accrual or cash basis and what the effect is of debt forgiveness. This issue was raised by Mr. Linton after Mr. Parker indicated that we should have much larger loss carry forwards, because of the accrual of interest, but then he said we are on the cash basis. This created some confusion.

5. Mike Parker then began a discussion of the expenses. He acknowledged that he had made several errors in judgment, the principal involving including Linda and Lynette's salaries as professional fees on the April statement and not having put their

expenses on earlier statements so that the issue of officers would have been resolved. The expense issue would also be discussed subsequently at the meeting. Mike also mentioned that there was a dispute between himself and Bob Pritchard regarding the cost of Tower construction. He indicated that the dollar budget would be the driving force in determining the appropriate cost to be incurred in the Tower move and the Tower purchase. Mike indicated that TTC feels it can come in within Mike's projections with acceptable equipment. We do want the most efficient system. Dr. Clymer asked what the effect of high definition TV will be as to whether we can adjust our system. Mike indicated that any system we select would become obsolete if high definition TV comes into play. Mike again emphasized that we have a \$4,000,000.00 project and we must keep the cost within these parameters. Mike suggests that any contracts be entered into in order to firm up the supplier be subject to obtaining the financing. TTC would also post a letter of credit for assisting in the selling of the package to proposed investors. Mike suggested that we use a project engineer from San Francisco, Dr. Clymer indicated this would not be wise since we would again be saddled with a travel expense cost. Upon reflection, Mike and the Board indicated that we would probably look locally. Mike then returned to the Partel expenses and indicated that those issues had been resolved with respect to the per diem allowance being \$37.00 per day per employee, three round trips to Seattle, plus the station will reimburse and/or pay for the costs of the condominium where Mr. Parker, Linda and Lynette reside when they are in Reading. Any other expenses would require.

prior approval of the Board of Directors before they could be incurred. If they were incurred without such approval the expenses would be borne by Partel.

6. The next item discussed was the apparent disagreements between Dr. Aurandt and Mr. Parker. Mike indicated that he benefits more from not selling the station whereas Rick benefits more by selling the station. There was obviously some discomfort on Mike's part when he felt that the possible purchaser "Sinder" was "hidden" from Mike. Rick said there was no intention to hide, that Mike was out of town and Mike has accepted this at face value according to Mike. Mike has also checked out Sinder's financial viability. Mike indicated the value of the station would be greater after we get out of Chapter 11, then it is at the moment. There was some discussion regarding the fact that Irv Cohen might be interested in buying out some of the investors if they want to sell. Mike strongly recommended that we sell when we come out of bankruptcy not now. It was further discussed between Rick and Mike that they meet every Wednesday at 11:00 a.m. either in person or by phone, east coast time. Their discussions will focus on the weekly financial activities plus one department a week will report at that meeting.

7. Todd Stewart a member of the staff of Channel 51 then brought in a letter together with a list of the employees which had subscribed to that letter indicating their concern about possible upheavals at the station. upon being questioned Todd indicated that he had obtained his information in some respects from Mike, but mostly from Linda. His major concern and that of the staff,

seemed to focus upon the continuation of the progress made in applying a sales force to generate more business for the station. The letter and the signer list of the members of the staff are attached to the minutes of this meeting.

8. The next item was Dr. Aurandt's reply to Mike's proposal. Rick was of the opinion that even with Mike's departure and bringing in outside management the project could be completed with Legg Mason and with Meridian Bank. Rick also was of the opinion that Partel did not deserve 25% of the company nor do they deserve 25% of profits. A great deal of discussion was raised by Rick's question and Mr. Linton's question regarding the financial projections.

9. A general discussion then followed regarding Legg Mason and the assurance that the figures presented to Legg Mason were accurate particularly with respect to income. Mr. Parker indicated that he would go back and review his figures because Legg Mason had also requested an updating on the financial aspects of the business plan.

10. Next item was the discussion of whether or not Partel would continue and this had several aspects to this particular discussion. It was decided that if Partel did continue that Dr. Clymer and Dr. Aurandt and Mr. Parker would serve on the finance committee and that Mr. Parker and Partel, Inc. would resign without cost to the company in the event that Robert H. Clymer, Jr. found that Partel or Mike Parker did or attempted to do anything dishonest. It was further decided that compensation in the amount of \$1,000.00 a month be paid to Dr. Clymer as the chairperson of

the finance committee. This was approved upon motion of Michael Parker and seconded by Edward Fischer and unanimously approved. Dr. Clymer abstained.

11. The next item of business was the issue of termination of Partel's contract. Upon motion of Dr. Aurandt and seconded by Jack Linton it was unanimously resolved that the motion to terminate the agreement with Partel, Inc. be and is hereby withdrawn.

12. Next item on the agenda dealt with the agreement with Wescott Christian Center. Upon motion of Dr. Clymer and seconded by Dr. Aurandt the contract with Wescott Christian Center was approved by unanimous vote subject to counsel's review of the provisions of the agreement.

Upon motion duly made, seconded and unanimously carried, it was

RESOLVED, that the following resolution with respect to Partel, Inc. expenses be and is hereby approved.

1. Partel will submit to Reading on a regular basic voucher of expenses incurred by Partel in fulfilling services outlined in the Management Services Agreement.

2. Partel will be paid a \$37 per day food per diem for each employee for the days they are in Reading. In addition, the Partel will be reimbursed for business meals with a deduction from the per diem rate of \$9 for breakfast or lunch and \$19 for Dinner.

3. Partel will be entitled to no more than three (3) round trip airline tickets from Seattle each month without the prior approval of Reading. Tickets will be obtained by Reading or the Partel attempting to use the lowest rate available.

4. Reading will provide a vehicle for Partel employee's use when they are in Reading.

5. Reading will provide living quarters for Partel employee's use when they are in Reading.

6. All provisions of this reimbursement agreement are in effect as of February 2, 1990.

Upon motion duly made by Dr. Clymer, seconded by Dr. Fischer and unanimously carried, it was

RESOLVED, that the lease for the apartment furniture rented by Reading Broadcasting, Inc. for employees of Partel, Inc. for a one year period with Home Office Furniture Rentals of Harrisburg be and is hereby ratified and approved.

Mr. Parker indicated that he would pay for Linda's telephone line and any Partel calls. Mike would also pay for cable TV.

The next item on the agenda was setting the next Board meeting which was set for June 6, 1990 at 7:00 p.m.

Upon motion duly made by Henry N. Aurandt and seconded by Edward Fischer, and unanimously carried, it was

RESOLVED, that the equipment lease with Partel, Inc. at a rate of \$363.00 pr month for a term of three (3) years be and is hereby approved.

Upon motion duly made by Robert H. Clymer, Jr and seconded by Jack A. Linton, it was

RESOLVED, that George Mattmiller be and is hereby appointed Assistant Vice President of the company.

A brief discussion then followed regarding the request for information from Mark Haltzman on behalf of a potential purchaser. Mr. Parker indicated that he will respond to Mr. Haltzman's letter and provide the applicable information.

THERE BEING NO FURTHER BUSINESS to come before this meeting, upon motion duly made, seconded and unanimously carried, the meeting was adjourned.

Dear RBI Board Members:

We, the undersigned staff of WTVE TV-51 and WTVE Productions, want to take this opportunity to voice our feelings on the issue of present and future management of our company. Having the insight that comes with being at the station on a daily basis, we have been able to assess the current state of affairs and respond in this forum. In accordance with your adopted policy of "Open Communications", it is our intention to show you what we have seen, and foresee, as being the keys to Reading Broadcasting's successful end to Chapter 11.

Simply stated; we feel as though the direction that Mike Parker has put the station in is the right, and only logical direction that the company should be headed. Putting all the negatives aside for just a moment, you will see the bottom line as this: Mike Parker, along with his faithful team from Partel, has spent the past year of his life laying the ground work for a plan that is just now being put into action. To divert from such a plan after its proven success in just a few short months since its implementation in January, with the addition of a fully functional sales force, would be ridiculously premature.

Moreover, we believe that there is no greater show of this man's devotion to RBI than his willingness to guarantee solely, loans in excess of three million dollars. Several of us have come back from, and others given up, job opportunities elsewhere (losing thousands in salaries and benefits) for the sole purpose of aiding Mike in his valiant efforts. We feel so strongly, as Mike does, that his plan of action will work if given a fair chance that we are willing to stake our jobs on it.

If it is the decision of the board to terminate Mike Parker's contract and revert to the old style of management, it is also the decision of the board to accept a large scale staff walk-out. We, the undersigned staff of WTVE TV-51 and WTVE Productions, hereby make it known to the Reading Broadcasting, Inc. Board of Directors that we will resign our positions, without notice, in the event an irreconcilable conclusion, jeopardizing the profitable future of Reading Broadcasting, Inc., is reached.

WAIVER OF NOTICE OF A SPECIAL MEETING OF
THE BOARD OF DIRECTORS OF
READING BROADCASTING, INC.

THE UNDERSIGNED, being the Directors, duly elected by the Shareholders of Reading Broadcasting, Inc. do hereby waive notice of the special meeting of the Board of Directors to be held on May 23, 1990 at 7:00 p.m. at the corporate offices located at 1729 north 11th Street, Reading, Berks County, Pennsylvania.

Declaration of Jack A. Linton

Jack A. Linton hereby declares as follows:

1. I am and have been a stockholder and director of Reading Broadcasting, Inc. ("RBI") for several years, pre-dating the time that Micheal Parker began providing management services to RBI with respect to the operation of WTVE(TV), Reading, Pennsylvania.

2. RBI has no ownership interest in any other broadcast stations or applications of Micheal Parker.

3. The years since Mr. Parker became involved in the management of WTVE have been marked with continuing supervision by directors and often controversy as directors questioned, challenged and criticized Mr. Parker's management plans relating to the station. Since the successful reorganization of RBI in 1992, the other directors and stockholders of RBI have continued to play an active role in overseeing RBI's affairs. In fact, in August of 1997 the RBI board of directors terminated Micheal Parker as President of RBI and cancelled his management agreement in connection with a dispute over corporate management. He resumed his position as President of RBI and the management agreement was reinstated in November of 1997 by a vote of the board of directors.

4. RBI takes seriously its obligations as a licensee of the Federal Communications Commission ("FCC"). It is my belief that RBI's board of directors and stockholders would terminate Micheal Parker's corporate positions in RBI and his management role at RBI in the event that he caused RBI to violate the FCC's policy against misrepresentation or lack of candor or in the event the FCC conditioned a grant of the WTVE license renewal on termination of Micheal Parker's involvement in the management of the station. Penalizing the other stockholders for any misconduct by Micheal Parker in proceedings that do not involve RBI is unfair and serves no useful purpose.

5. I declare under penalty of perjury that the foregoing is true and correct.

EXHIBIT 1

Micheal L. Parker, President and Director of Reading Broadcasting, Inc., is the 100% voting stockholder of Two If By The Sea Broadcasting Corporation. Two If By the Sea Broadcasting Corporation owns 51% of the stock of Massachusetts Channel 46 Corporation. Until recently, Massachusetts Channel 46 Corporation was the licensee of WHRC(TV), Norwell, Massachusetts. On March 23, 1992, the Commission granted the involuntary assignment of the station's license to George E. Clancy. Mr. Clancy was appointed receiver of the corporation by the Plymouth County Superior Court, Commonwealth of Massachusetts.

EXHIBIT 2

Four of Reading's stockholders, Harvey L. Massey, Paul Pavloff, Stella Pavloff-Bull and Alfred W. Busby, have sued Dr. Henry Aurandt, also a stockholder of Reading, in U.S. District Court for the Eastern District of Pennsylvania. On July 31, 1991, a judgment was entered in favor of Mr. Massey, Mr. Pavloff, Ms. Pavloff-Bull and Mr. Busby against Dr. Aurandt, and the court garnished Dr. Aurandt's Reading stock to satisfy the judgment. Due to the litigation involving Dr. Aurandt's Reading stock as well as Reading's own claims against Dr. Aurandt, Reading has not issued 50,812 shares of his stock.

EXHIBIT 3

Micheal L. Parker is the sole shareholder, officer and director of Partel, Inc. Mr. Parker's media interests are set forth in Exhibit 1.
